

A vibrant poster for the 'Rocky Balberna' festival. The background is a mix of orange, teal, and black. The word 'ROCKY' is written in large, white, rounded, sans-serif capital letters at the top. Below it, 'Balberna' is written in a white, flowing cursive script. The date '5-7 NOV 2021' and the location 'BERN' are printed in white, bold, sans-serif capital letters. The poster is decorated with stylized illustrations of musical instruments: a red drum with teal accents on the left, a teal bass guitar with orange tuning pegs in the middle, a red vintage microphone on a teal stand on the right, and a teal trumpet with orange valves at the bottom left. A white starburst graphic is at the bottom right.
